Bağlantı Elemanları San. ve Tic. A.Ş.

## MURAT CIVATA BAĞLANTI ELEMANLARI SANAYİ VE TİCARET A.Ş.

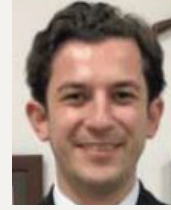

Murat Cıvata was founded in 1974. Maintaining customer satisfaction and quality as its primary objective, the company developed itself until 1981. After its continuous and determined growth, in 1981, the partnership was replaced by incorporated company with 6.000.000 TL capital in Karaköy, İstanbul.

Parallel to its growth in time, Murat Cıvata A.Ş. has evolved its principles of quality and customer satisfaction. As in the past, the company's confidence in fulfilling its commitments are pursued today.

Murat Cıvata always aims to raise its position in fasteners industry. Eventhough being a marketing company in 1908s, the company is one of the leading manufacturers in its industry today. With a never-ending investment policy, the company improved its equipment pool, R&D capabilities and production range concurrently in following years. Murat Cıvata activated its plant in industrial zone in 2014, with renewed machinery and R&D equipment.

### Products:

Screws for plastics, aluminium, sheet metals, Self-threadind screws, Bolts, Special cold headed parts.
